**London/Cologne, 29 November 2024 – The British legal magazine The Lawyer, Europe's leading publication for the legal industry, has once again presented the coveted industry awards 'The Lawyer European Awards' this year. At a festive gala in London, the commercial law firm Luther received the prestigious award as 'Law Firm of the Year: Germany' – in other words, as the leading law firm in Germany.**

The award ceremony took place on 28 November 2024 in London. The outstanding achievements of the best law firms in Europe were honoured. The jury particularly appreciated Luther's excellent client work, its continuous growth, which is also reflected in above-average revenue growth, and its innovative strength in legal advice. The law firm impressed with its strong presence in the German market and its international orientation.

The award underlines Luther's positioning as a top law firm in Germany and Europe. The firm's Managing Partner, Elisabeth Lepique, was delighted: 'This renewed honour is a great recognition of our international work and proof of the European commitment of the entire Luther team. The award recognises our principle of thinking and offering clients innovative and tailor-made solutions in a European context. This success is also possible thanks to the excellent Europe-wide cooperation within the unyer network.'
